

Environmental Expert Shares Solutions for Creating a Sustainable World

Ellen Moyer, Ph.D., P.E.

Ellen Moyer, Ph.D., P.E., believes we can repair our environmental crisis and create a sustainable way of life — in an enjoyable way. She is an environmental consultant, author, speaker, and artist with a B.A. in anthropology, M.S. in environmental engineering, and Ph.D. in civil engineering.

Dr. Moyer is a registered professional engineer as well as a U.S. Green Building Council Leadership in Energy and Environmental Design Accredited Professional. Her work focuses on sustainability, natural resource protection, economics, pollution prevention, and environmental cleanup.

Readers are loving her third book, ***Our Earth, Our Species, Our Selves: How to Thrive While Creating a Sustainable World***, released in December 2016. She is a regular contributor to ***The Huffington Post***.
